### Instructional Objectives:

- The law Enforcement officer will come to understand how to identify cyber bullies, how to find out who they are and investigate Internet crime.
- The Officer / School Official will also learn how to effectively empower kids not to become victims.
- We will examine your state's current laws and how they affect your children who commit these crimes.
- The laws we will examine are Possession, Manufacture and Distribution of Child Pornography, Harmful Material, and Obscenity.
- Educate and reform students involved in Vaping rather than write tickets that do not address the problem.
- The LEO will learn how to appropriately institute consequences for this behavior i.e. Diversion using Restorative Justice Protocols, Probation or Adjudication.
- We will be learning about a new online Restorative Justice Online Diversion System.
- We will learn how to investigate, process juveniles in a diversionary program.
- We will make sure these images that were traded will be listed as known images and be on the lookout status for them not be distributed online by using the NCMEC Child Victim Identification Program (CVIP)
