

Identifying and Intercepting School Violence through Cyber-Investigation

Do not miss this powerful and vitally important training opportunity. Learn how to quickly identify and apprehend School Swatters.

Law Enforcement and School Officials must know how to proactively respond to threats of school violence online. Especially when there is on line "Leakage" threatening students and school personnel. Being trained to identify the perpetrator immediately provides Law Enforcement and School Officials the ability to act quickly and effectively to reduce the threat of school swattings, shootings and other forms of violence.

Time Alloted: 3 Day Training COST: **\$300.00 Per person. July 13, 14, 15 2026**
