IMPORTANT – PLEASE READ CAREFULLY

The attending Officer/School Official will need the following:

- 1 Laptop Computer (Please open the laptop a day before, start it and go on online so it can update)
- 2 Be able to access your WORK email remotely from your laptop computer.
- 3 Be able to download Snagit on a free trial <https://www.techsmith.com/download/snagit/>
- 4 Be able to download the Search.org Investigative toolbar in Chrome. <http://www.search.org/resources/search-investigative-and-forensic-toolbar/>
- 5 Be able to open a "Word" Document to view files and take notes.

Law Enforcement and School Officials must know how to proactively respond to threats of school violence on-line. Especially when there is on-line "Leakage" threatening students and school personnel. Being trained to identify the perpetrator immediately provides Law Enforcement and School Officials the ability to act quickly and effectively to reduce the threat of school shootings and other forms of violence. The goal of this training is to give the student the mental health help they need **BEFORE** the shooting starts.
