

Identifying and Intercepting School Shooters Through Cyber Investigation

**Do not miss this powerful and vitally important training opportunity sponsored by the
North Charleston Police Department
Collaborate in an effort to stop school violence before it occurs.**

Law Enforcement and School Officials must know how to proactively respond to threats of school violence on-line. Especially when there is on-line "Leakage" threatening students and school personnel. Being trained to identify the perpetrator immediately provides Law Enforcement and School Officials the ability to act quickly and effectively to reduce the threat of school shootings and other forms of violence. The goal of this training is to give the student the mental health help they need BEFORE the shooting starts.
