

Raising Kids in the Digital Age **Just Got Easier**

Bark is the only all-in-one online safety solution that lets you:

- Monitor texts & social media
- Manage screen time schedules
- Block websites and apps
- Track your kid's location
- Get alerts for signs of danger

What Parents Are Saying

A huge weight lifted

"It was like a huge weight was lifted off my shoulders when stumbling across the Bark app."

—Jenna U., *Mom of 3*

Insight & conversation starters

"Best of all, the conversations we have regarding Bark alerts give me insight into my child's world and his relationships."

—Dave C., *Dad of 4*
